## Primary Teacher

Combine your passion for teaching with west coast mountain culture! Bulkley Valley Christian School is seeking a music teacher for the 2024/2025 school year. BVCS is a K-12 school and Online Learning school, together serving approximately 270 students located in Smithers, British Columbia. Mountain culture and a unique downtown vibe allow you to combine your passion for teaching with mountain outdoors, boutique shops and a vibrant arts scene. Smithers is well-connected with daily flights to Vancouver and a natural outdoor playground that you won't want to leave. Here you can paddle board, ski, fish, golf, hike and hunt after the school bell rings and still be home on time for dinner! Benefit from our hiring incentives including help with moving expenses, a signing bonus, and assistance with housing.

At this point we are unsure of what grade level this position will be for but we do anticipate at least one open position. We are looking for vibrant, energetic people with a knowledge of 21st Century learning and the BC Education Plan, who have a passion for Christian education and a heart for students. We value flexibility, positivity, and a passion for professional growth. We desire teachers who will view their work at BVCS as a calling, and who embrace the community and character of our wonderful school.
