LIVING

Loving God, we come to you with prayers
For the men and women of the armed services who died in war, each one
remembered by and known to God;
Lord in your mercy, give us peace
Hear our prayer

For those who are bereaved, distressed, and filled with grief;
Lord in your mercy, give us peace

Hear our prayer

For all members of the armed forces who
are serving in conflicts and dangerous places today;
Lord in your mercy, give us peace

Hear our prayer

For the friends and family who pray and look for their safe return;
Lord in your mercy, give us peace

Hear our prayer

For the forms of laws, for politicians, and religious leaders who have the power to make
peace and stop war;

Lord in your mercy, give us peace

Hear our prayer

For those who work to keep peace,
and who work for justice and fairness;
Lord in your mercy, give us peace

Hear our prayer

As we remember and honour what is past, may we put our trust in you for the future;
for you are the rock and surety of life
and we give you our praise.

Amen.

LEARNING

Advent Resources

As Advent approaches (Nov 29), you may be looking for some resources to use in your classroom or assemblies/chapels.

Here are a wide variety of [RESOURCES](#) (videos, activities, books, devotions), with a couple of highlights:

- A [JESSE TREE](#) could be used in class or for a whole school and the link comes with all the resources.
- If you're looking to include a FLEx or giving project with your Advent celebrations, this [RESOURCE](#) has some good ideas for a Reverse Advent Calendar.

Tracking our “Slack”ing

Last year we facilitated our first PCCE Book Club, which was focused on David Smith's “On Christian Teaching.” This year we thought we would try a **Podcast Club** that continued to promote connection and collaboration while focusing our conversations on different podcast episodes that deal specifically with Christian education.

We started a Slack podcast club channel (search for #podcast-club-2020-2021) in hopes

of using that space to connect with anyone interested in joining the podcast club and gathering feedback from potential participants (i.e. What time works best? Recommended episodes?). There are a handful of people signed up and some podcast recommendations already; and so join our channel if you're interested in joining the podcast club, are looking for podcast recommendations or giving your feedback on our club.

LEADING

Rod Wilson Video

Watch and reflect on the fourth [VIDEO](#) in the Wisdom for the Way Series. This one hit close to home and would be good to use with your whole staff. If you would like to connect with a small group of PCCE leaders to discuss the video, let [Gayle](#) know.

Board Treasurers

You may find this November 21 [free webinar](#) interesting as you manage cash flow in times of uncertainty.
