LIVING

Ever-present God, you walk with us
through good times and bad,
mountain top and valley deep,
your footsteps our guide,
your hands our support.
Ever-present God, you are close to us
when life is smooth or rough,
in wholeness and brokenness,
your healing our hope, your touch our desire.
Ever-present God, bring comfort and peace
and the warmth of your presence
and I shall fear no thing, for you are with me, always.

LEARNING

We are really excited about our upcoming annual **PCCE Teacher Convention** and we have created this short [VIDEO](#) to explain some of the main differences of going virtual and highlight some of the key experiences we're working on. (PS - Jeremy seemed way too comfortable acting clueless). Although we are disappointed we will not be able to meet in person this year, we believe that our 2020 convention will continue to invite, nurture and empower you to be the peculiar people God calls you to be in your school community. **You will be emailed more details and registration information on October 1st.**

LEADING

I recently read this quote by Simon Sinek:

Bad leaders care about who's right. Good leaders are about what's right.

As school leaders, the challenges of the last weeks have been significant and you've needed to make decisions with ever changing information, in highly emotional circumstances, in a context none of us have any previous direct experience to draw upon. Continue doing what's right!!

If you haven't already done so, [REGISTER](#) for the **Christian Schools Canada Conference** to be held on October 8. You can get the details of this virtual event when visiting the website. The topic, "Exclusion & Embrace", is very relevant for our current context and we hope that the virtual format will allow for an even higher level of PCCE

participation.

Gayle has received a few requests for Board Governance workshops and school and leadership reviews. While the governance workshops can be adapted to a virtual environment, she is also willing to present in-person (following guidelines) if requested. Contact [GAYLE](#) for more details or to arrange a time.
