LIVING

“Be devoted to one another in love. Honor one another above yourselves.” —
Romans 12:10

Our posture toward each other is summed up in one word: love. We are called to love each other like family, and we should take time to communicate that love in intentional ways. Take time today to tell someone how much you love them with a note, card, a call, or a kind message.

Come! Spirit of Love! Penetrate and transform us by the action of your purifying life. May your constant, brooding love bring forth in us more love and all the graces and works of love. Give us grace to remain still under its action, and may that humble stillness be our prayer. (Evelyn Underhill)
