LIVING

Thinking about your “why”

It is not what a man does that determines whether his work is sacred or secular, it is why he does it.

LEARNING

Convention: Last week all registrants should have received an email with the link to the virtual convention platform, as well as some other important information. Please have a look at that before convention as there are some things to do in preparation for Thursday.

TfT 101: If you didn't register with the convention, please send us an [email](#) to let us know you want to join.

LEADING

Convention: If Canada Post does its part, you should receive a “Convention Box” this week with some materials and supplies for the event.

CSC 2022: Although we couldn't hold our Christian Schools Canada conference in person this fall, we are praying that when PCCE hosts in 2022, we will be able to gather face to face. Enjoy the 2022 invitation [video](#)!

Wilson Videos: We encourage you to get together with some other leaders (your school leadership team, colleagues from other schools, school/society board) to watch the videos and have some conversation using the questions Rod Wilson proposes. Here are the links to the videos released thus far:
