"Loving, Learning & Leading Through this New Chapter in God's Story."

Our Annual General Meeting (April 25) has been modified by the need to stay safe by staying home. We will gather remotely on April 25 @ 10 am for an hour or so via ZOOM for updates, presentations and encouragement. Voting on necessary items will take place electronically. Here is more [INFORMATION](#) about the process and access to [The AGM PACKAGE](#).

LOVING

One of the ways we can love and/or orient our hearts and minds to love others in this time is to pray. Christianity Today offers [20 SHORT PRAYERS](#) that you can say during this pandemic. Here are some for you to reflect on today:

#3. For the young and the strong: God, give them the necessary caution to keep them from unwittingly spreading this disease. Inspire them to help.

#5. For our scientific community, leading the charge to understand the disease and communicate its gravity: God, give them knowledge, wisdom, and a persuasive voice.

#12. For workers in a variety of industries facing layoffs and financial hardship: God, keep them from panic, and inspire your church to generously support them.

#13. For families with young children at home for the foreseeable future: God, help mothers and fathers to partner together creatively for the care and flourishing of their children. For single mothers and fathers, grow their networks of support.
